

FISCAL NOTE

SB 2157 - HB 2483

February 7, 2002

SUMMARY OF BILL: Deletes the requirement that a handgun carry permit contain the permit holder's social security number. Specifies that permits containing the social security number remain valid.

ESTIMATED FISCAL IMPACT:

MINIMAL

According to the Department of Safety, provisions bring statute in line with a recent Attorney General's opinion which prohibits the printing of the social security number on the handgun carry permit if the applicant objects. The Department has already made the necessary computer program changes to address this.
